Home of the Award  
Winning Three Wise Men  
and Woongarra wines

# | woongarra estate |

Hidden away in eighty acres of gently rolling countryside at the foot of the Dandenong Ranges at Narre Warren East, Woongarra Estate is indeed a 'Peaceful Place'.

You're welcome to visit Woongarra Estate for a few hours, to taste the medal-winning wines and linger over a cheese platter in the sunny courtyard beside the winery. Or come for a few days, settle into the Bed & Breakfast, play a round of golf at the nearby country club and explore the wineries and other attractions of the Dandenong Ranges.

Woongarra Estate is located just forty minutes from Melbourne via Monash Freeway.

The estate is set in a picturesque valley, with grapevines flourishing on the sunny north-facing slopes. Atop a hill, the Woongarra Bed & Breakfast has magnificent views of vines and natural bush, while the winery and rammed earth home of estate owners Bruce and Mary Jones nestle in the valley below.

# | medal-winning wines |

Early ripening Pinot Noir and Sauvignon Blanc grapes have found near-perfect growing conditions in the cool climate and gravelly soils of Woongarra Estate.

The Three Wise Men Pinot Noir took a bronze medal at the Victorian Wine Show in 2001 and a silver in 2002, while the Reserve Pinot Noir of 2001 captured one of only two gold medals awarded in the 2002 Victorian Wine Show Pinot Noir class.

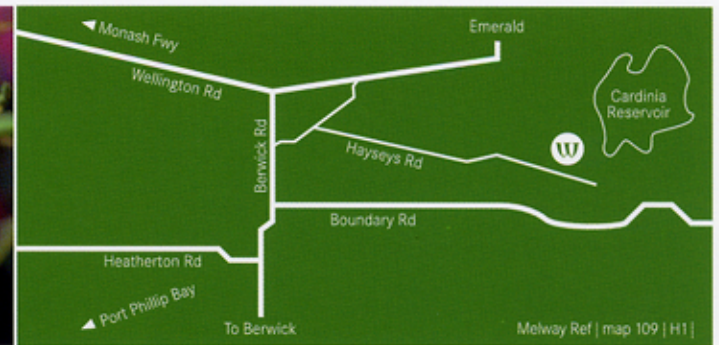

The 2002 Woongarra Estate Sauvignon Blanc/Semillon (a blend of 80% Sauvignon Blanc and

20% Semillon) won bronze medals at the 2002 Victorian Wine Show and Lilydale Wine Show.

A Three Wise Men Shiraz is also produced, displaying the elegance typical of this grape when grown in cool conditions.

Woongarra Estate's fine wines can be sampled in the winery's spacious tasting room, with a platter of equally fine local cheeses in the paved courtyard, or accompany the private barbecues that can be arranged for small group functions.

# | woongarra bed & breakfast |

Once a comfortable farmhouse for the orchard that stood where our vines now grow, Woongarra Bed & Breakfast is a beautifully appointed and completely private cottage.

Polished wood floors with cosy rugs in the living and dining rooms, log fires, a plump leather couch and comfy armchairs entice you to just slow down.

Curl up in front of the fire, watch a video or take a glass of wine on to the verandah that looks over the vineyard and off to the Dandenong Ranges in the distance.

Listen to the birdsong, breathe in the fresh country air and let thoughts of the city simply vanish.

Woongarra Bed & Breakfast has been thoughtfully furnished for stays of a week or more, with a well-equipped kitchen, generously sized fridge/freezer, washing machine and dryer, central heating and air-conditioning. Six people can be accommodated, in two double bedrooms and a twin bedroom.

Breakfast is provided each morning (bacon and eggs, croissants, toast, fresh orange juice, tea and coffee) for you to cook at your leisure. Then it's time to explore...perhaps a walk through the six acres of native bush nearby, a game of golf at Beacons Hills Country Golf Club, a visit to other wineries, beautiful gardens, the Farmers' Market, Puffing Billy...just ask your hosts for a copy of the local visitors' guide.
